East Alabama Medical Center (EAMC) is the presenting sponsor for the 50th Anniversary of the Dixie Youth World Series in Auburn, Alabama. EAMC is committed to the community. They achieve excellence primarily through the services they provide and through leadership in making the community a healthier and better place to live. EAMC is sensitive to the unique needs of all citizens, from very young to senior citizens. They have partnered with educational institutions to train the health care leaders of tomorrow. They are dedicated to supporting efforts to improve the status of the less fortunate.
